

FORTEZZA

spring/summer 2018

The fashion brand Fortezza find its origins in Florence. The brand is named after the Fortezza da Basso from the 16th century, which is located in the city of Florence. The city of Leonardo da Vinci and Michelangelo, as well as the city of the important Pitti Immagine Uomo Fashion fair, which is held annually in Fortezza da Basso.

The logo of the fashion brand is based on the top view of Fortezza da Basso, designed in the Italian tricolori. The designers of Fortezza are inspired by the rich history of Italy, that is reflected in stylish coats and jackets. Italian design, fine fabrics and high quality, craft finish and perfect fits.

Fortezza, the best barrier against the elements, providing comfort and protection. Design based on the benefits and principles of a fortress.
